

BOEING BULK CARGO NETS & LINER PANELS

A global provider of textile airframe restraints and associated safety systems

AmSafe Bridport is licensed by Boeing to manufacture and supply operators with spares of all Boeing bulk cargo nets and flexible cargo liner panels, with exclusive worldwide distribution through Satair. Part numbers are identical to the Boeing original equipment part numbers, so all spares are of the highest quality and identical to the original equipment fitted to the aircraft.

Key Features & Benefits

- ⊗ Broadest product range for all Boeing aircraft
- ⊗ Extensive inventory held in the USA, Europe and Asia for fast delivery
